Company will render bills monthly. Payment is due by the due date listed on the bill.

Carrier may impose a late payment charge not to exceed 1.5% per month for business customers and 1.25% per month for residential customers on any bill not paid by the due date listed on the invoice, which charge may only be assessed on outstanding balance. The Customer shall be responsible for all costs, including attorney fees, incurred in the collection of unpaid charge or in any other action to enforce payments and/or obligations arising under this tariff. A charge of up to twenty dollars (\$20.00) may be imposed for returned checks.

A Collection Fee in addition to the Late Payment Charge of one and one half percent (1.5%) of the unpaid balance will be applied to the accounts of business subscribers with any unpaid balance when the previous month's bill has not been paid in full prior to the next billing date.

Convenience Fee

In the event a business Customer makes a one-time or recurring payment using a credit card, a Convenience Fee Charge may apply. Any payments for a deposit or advance payment to establish new service are excluded from the Convenience Fee Charge. This charge does not apply to residential Customers or to business Customers that make payment using their financial institution's bill payment service, Customers with negotiated contracts that do not allow the assessment of this fee, or Customers without a computer. This fee will be assessed at the point of payment and will not appear on the Customer's invoice.
